

DIRECT PAY

The convenient, easy way to pay your monthly water bill!

What is DIRECT PAY?

DIRECT PAY is a convenient and easy automatic payment service that saves you time, effort and postage. This modern electronic bank transfer ensures that your water bill is paid in a timely, efficient manner.

How does DIRECT PAY work?

As in the past, you will continue to receive your water bill before your automatic payment has been processed. You will know the total amount of your water bill in advance so you will know exactly how much your financial institution will be automatically paying from your checking or savings account. This amount will be automatically paid to the Granger Water Department on the 20th of each month. The payment will be shown on the account statement you receive from your financial institution each month, as well as your bill from us.
