INTERNET USE POLICY

1. The Granger Public Library provides access to the Internet in keeping with its role as a source of information, intellectual development and enrichment for the community.

2. The Granger public Library does not monitor and has no control over the information accessed through the Internet and cannot be held responsible for its content.

3. To ensure the equitable delivery of all library resources, the amount of time that Staff has to provide Internet instruction is limited.

4. Parents or guardians are responsible for Internet information selected and/or accessed by their minor children.

5. Internet user must –

   • Follow all federal, state and local laws and regulations as applicable
   • Avoid any activities which may be disruptive to other patrons.
   • Use either provided headphones or personal earphones for use of audio resources.
   • Make no attempt to damage computer equipment, change settings or install any software.
   • Respect copyright laws and software licensing agreements.

6. Downloading programs or installing software onto the library computers is not permissible unless by prior approval of the Library Director.

7. Patrons must check out computer utilizing their library card to authorize 30 minutes of usage. Extension of the computer time limit may be granted at the librarian’s discretion and only if the computer does not need to be accessed by other patrons.

8. Printing is allowed, and a chart fee is posted by the printer.

9. When using your personal computer, patrons must follow the above related rules.

10. Internet access may not be available due to technical problems.

11. Internet access will be denied to anyone breaching this use policy.
