

## **SEX OFFENDER POLICY**

In accordance with Iowa Code section 692A.113 (1)(f) which prohibits sex offenders who have been convicted of a sex offense involving a minor child from being present on the real property of a public library without the written permission of the library administrator. The library administrator should exercise such discretion of competing considerations although such decision making could be exercised in broad categories.

The Library Director may only give written permission if authorized by a vote of the Board of Trustees with a quorum present. This is a decision making process.

Persons barred from library property under the law remain entitled to library service. It is the responsibility of the patron to arrange for a courier to select, check out, and return materials to the library through possession of the patron's library card.

Persons barred from the library property under the law will not be served by the library's homebound delivery service. Violations of this policy will be immediately reported to law enforcement.
